Cutlery's biggest enemy is dried-on foods.

The complex mixture of salts and acids in food can tarnish and even corrode most metals. So try to wash and dry your cutlery as soon as possible after use.

Certain foods such as eggs, cabbage and sprouts contain sulphur compounds, which can cause tarnishing.

Knife blades are also susceptible to damage by the same compounds and this can cause "pitting" which renders the knife useless.

Any such "pitting" damage will result in a replacement charge as per our Hire Price List.

Ten Most Asked Questions

All hires are subject to our **Terms & Conditions of Hire**.

Terms & Conditions of Hire form the contract of Hire.

All Hirers are required to make themselves familiar with **Terms & Conditions of Hire**, a signed copy of which must be given to Andrew Wilson & Sons Ltd., prior to the commencement of the hire period.

1] HOW DOES THE HIRE THING WORK?

It's a very simple and cost effective system. Choose a product from our extensive Hire Price Guide. Phone, fax or e-mail your requirements to the numbers and address provided. Our staff will be on hand to answer any queries you may have, or to offer any assistance, or guidance that you may require.

We are available during our normal office hours – Monday to Friday 9am 'till 4pm.

2] HOW MUCH DOES THE HIRE COST?

We offer a simple pricing structure based on how long you use or require the equipment for. The standard rate is for 3 days. The day before your event; the day of your event; and the day after your event.

This gives you plenty of time to set-up, use, and then dismantle the equipment.

For hires that are longer than 3 days the following rates apply:

On Hire for 2/3 days: 1½ times 1 day's hire

On Hire for 4/5 days: Twice 1 day's hire

Period Hires: Twice 1 day's hire for the 1st week, then 1 day's hire per week for the rest of the period

3] WHAT ABOUT WEEKENDS?

Weekends are treated at normal hire rates. You receive the equipment on the Friday and return the equipment on the Monday. All for 1 day's hire!

4] DO YOU CHARGE FOR DELIVERY AND UPLIFT?

Yes we do.

Our standard delivery and uplift times are from 8am 'till 4:30pm Monday to Friday.

If you would rather collect and return the equipment that's great.

(If you require delivery or collection at specific times, or outside our standard delivery and uplift times, special arrangements can be made. Please phone for a price)

5] WHAT IF I DON'T KNOW MY FINAL NUMBERS

We would advise you to book enough equipment for your maximum number of expected guests. This is more relevant nearer busier times, like Christmas and the main summer season. At these times it may become more difficult to increase your numbers.

6] WHAT ABOUT CHANGES TO MY ORDER?

If you wish to cancel or alter your order we require 3 working days notice, prior to the delivery or collection of your equipment, to make amendments.

7] WHAT HAPPENS WHEN THE DELIVERY ARRIVES?

Our standard delivery and uplift charges are to easily accessible areas, ground floors, loading bays, etc.

Our drivers and porters will stack all the equipment for you in a mutually convenient place, in your premises or at your venue. Special packing boxes and cartons are provided for the transportation of the equipment, so that the goods arrive in a clean and table ready condition for you to use.

Please check all the equipment before use and report any shortfall or damage by the telephone, fax or e-mail as shown on our documentation.

A 24-hour (timed) answer service is on hand to report any such deficiencies.

8] WHAT DO I DO REGARDING RETURN OF THE EQUIPMENT?

On the day of uplift all tables and chairs must be stacked and stored in the manner in which they were left for you.

Crockery, cutlery, glassware and tableware must be free from all food debris and packed into the proper containers, as when delivered.

Linen should be placed in the hampers provided and not in black plastic bags (these bags are often thrown out as rubbish).

All the equipment should be made ready and put in the same location as it was delivered, unless other arrangements have been made.

A charge will be made for the time taken to locate, dismantle or pack any items.

9] WHAT HAPPENS IF I BREAK, DAMAGE OR LOSE ANY HIRED EQUIPMENT?

After the return of your hire order it is fully checked for any damaged, broken or missing items by our trained staff.

Any items that are found to be broken, missing or damaged will be charged to you. Rates are available on request.

This includes any water damage to furniture, or to packing boxes and cartons.

10] WHO IS RESPONSIBLE FOR THE EQUIPMENT WHILST OUT ON HIRE?

As you are the hirer of the equipment you are responsible for all equipment hired from Andrew Wilson & Sons Ltd., from the time of delivery or collection right through to the uplift or return, including any damage caused in transit.

We would advise all customers to arrange adequate insurance to cover the cost of the equipment when in your care. We can, through our brokers, arrange such cover.

Terms & Conditions of Hire

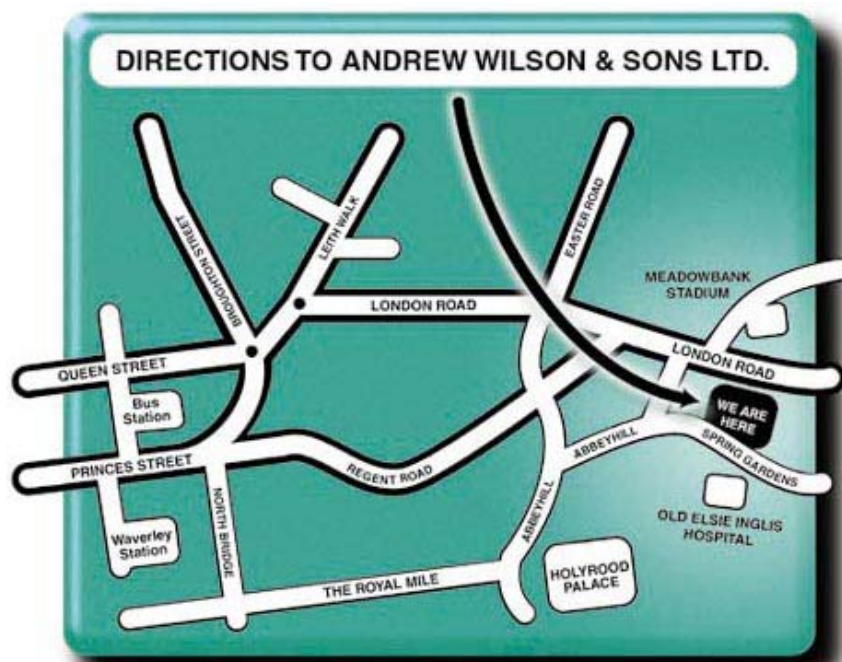

- (1) All orders are accepted subject to the following Terms & Conditions, which shall form part of and govern the contract of hire. Prospective hirers are therefore required to make themselves familiar with it. In these terms and conditions the word "Owner" shall be deemed to refer to Andrew Wilson & Sons Ltd. The "Hirer" means the person, Firm or Company or other body taking the equipment on hire. "Hire Price List" means the list of charges published by the Owner, from time to time. The hire contract shall be applicable from the time the Owner accepts the order from the Hirer.
- (2) The prices specified on the Hire Price List are for one day's hire only. Prices for periods of more than one day's hire are as follows: 2 or 3 days - as one and a half times one day's hire. 4 or 5 days - as twice one day's hire. Thereafter, each additional week's hire will be charged as one day's hire. The Owner reserves the right to vary prices. Prices given in a written quotation are valid for 30 days from the date of the quotation. If a quotation is accepted by the hirer within 30 days of the date of the quotation, the Owner agrees to honour the quoted hire price.
- (3) The hiring shall be deemed to continue until the Owner receives all equipment, or it is reported to the owner as lost/broken/stolen.
- (4) Hire rates include fair wear and tear only. When equipment is returned in a condition other than when received by the Hirer, a charge for cleaning, reconditioning, renewing or replacing will be made where considered necessary by the Owner. All furniture is hired on the condition that it is for indoor use. Damage through damp or wet will be charged for. All food debris must be removed from the equipment before return. Equipment returned unwashed shall be liable to a surcharge of 25% of the invoice total. Minimum Dirty Return charge is £25.00.
- (5) Substitutes for lost or broken equipment cannot be accepted. Equipment returned which is not the property of the Owner will be retained for a period of one month. After this time the Owner reserves the right to dispose of such equipment.
- (6) The Hirer shall pay in respect of all equipment not returned or returned broken/cracked, etc., the sum published as Replacement Charge in Hire Price List. Hire charges will not be taken into account in calculating the monies due under this clause. The Owner's checking of equipment shall always be deemed to be final.

Credit Notes are only valid for 180 days after the date of issue, after this time the owner shall cancel any unclaimed Credit Notes.
- (8) The Hirer is wholly responsible for all equipment from time of delivery/collection until uplifted/returned, and liable for damage during transit (if collecting equipment from the Hirer), or due to fire, theft, burglary, breakages or other losses, and should ensure safekeeping of equipment awaiting uplift/return. The Hirer should in his own interest insure, or meet the premiums for insurance of the equipment whilst out on hire.
- (9) The Hirer, before use, should check all equipment, and any deficiencies should be reported immediately to the Owner. Phone (0131) 661 2485 (24hrs Timed Service). Deficiencies reported after use shall not be credited.
- (10) The Hirer agrees to repack all equipment into their appropriate containers and to make such equipment available for collection at the same location to which they were originally delivered. Failure to comply with this clause may result in additional charges being made by the Owner. A charge will be made for any packing containers not returned or returned damp, dirty or damaged.
- (11) Claims for refunds after completion of hire, on the grounds that some of the equipment was not used, cannot be considered.
- (12) The owner requires a minimum of 3 working days' notice of hire. Orders may be accepted later than this, however, the owner reserves the right to levy a 10% late order surcharge.
- (13) The Owner will take every precaution to ensure that the equipment is clean, polished, and in good condition upon delivery.
- (14) Should the Hirer wish to cancel in whole or in part an order, after the Owner has accepted it, notifications must be made to the Owner at least 3 working days before dispatch. If deliveries are required to be made within the Hirer's or Third Party's premises the Owner will accept no responsibility and will not be liable for any damage or loss resulting to Hirer's or Third Party's property.
- (16) In the event that the Hirer requests the Owner to deliver/uplift goods from an area which is not a designated loading/unloading area the Hirer shall be responsible for and shall reimburse the Owner in respect of any parking fines or charges incurred by the Owner.

- (20) Drives/Porters are not authorised to check hired equipment or to sign for the same. All equipment shall be checked, in due time, on return to the Owner's premises. The Owner's checking of equipment shall always be deemed to be final. Off-site checking is available at the stated off-site labour rate.

Equipment returned after 4pm will be deemed to have been returned the next working day. Hire charges will be levied on this basis.
- (22) The execution of any order is subject to variation or cancellation from any cause beyond the Owner's control, e.g. Fires, Strikes, Lockouts, Storm and Tempest, etc.
- (23) In the event of a heavy demand upon our stock, the Owner reserves the right to substitute any item or items, without reference to the hirer.
